

BECOME A CRICKET COACH OR COACH ASSISTANT

What do I do if I am interested in helping out at Junior cricket as a coaching assistant?

We are a community Club run by volunteers. Except for our lead professional coaches everyone you see helping at the Club is a volunteer. There are opportunities for parents, family members and friends to develop cricket coaching knowledge starting with a Coach Support Worker and moving on to a Level 2 ECB cricket coaching qualification.

If you think you may wish to explore this further please do contact rottingdeancolts@gmail.com
