

Who were given Raiders Junior Awards in 2017?

Hello Parents and Raiders

Thanks to all those who attended the 2017 Raiders Awards Evening - we had a great evening celebrating all our teams and players. Sorry to the families who were looking forward to coming but were unable to make the date. Over one hundred parents and raiders played in or watched an excellent 8-a-side tournament. Thanks to all those who helped out to make things happen - including BBQ run by Gail, Jodi and Molly, Sarah running the Bar and arranging awards, Dorian for presenting awards and preparing our fantastic square, Alfie on desserts and support for african kids, and all the 'officials' running the games - including Neil, Ian, George, Raff and Merul, and all others helping out - very much appreciated. Thanks to all those who bought food and drink and generally supported.

The Raiders have had a fantastic year and we are very proud of them all.
